Re: RoHS Certificate of Compliance

Based on current knowledge of material specifications, supplier information and material processing, our security tape and seal products* are in compliance with the Restriction of Hazardous Substances (RoHS) EU 2002/95/EC Directive.

Lead (Pb) -----	< 0.1%
Mercury (Hg) -----	< 0.1%
Cadmium (Cd) -----	< 0.01%
Hexavalent Chromium (Cr+6) -----	< 0.1%
Polybrominated Biphenyls (PBB) -----	< 0.1%
Polybrominated Diphenyl Ethers (PBDE) -----	< 0.1%
Deca DBE-----	< 0.1%

NovaVision does not intentionally add any of the restricted substances in the fabrication process.
