Re: RoHS Certificate of Compliance

Based on current knowledge of material specifications, supplier information and material processing, our hologram labels are in compliance with the Restriction of Hazardous Substances (RoHS) EU 2002/95/EC Directive.

Lead (Pb) -----	< 0.1%
Mercury (Hg) -----	< 0.1%
Cadmium (Cd) -----	< 0.01%
Hexavalent Chromium (Cr+6) -----	< 0.1%
Polybrominated Biphenyls (PBB) -----	< 0.1%
Polybrominated Diphenyl Ethers (PBDE) -----	< 0.1%

NovaVision does not intentionally add any of the restricted substances in the fabrication process.
