NovaVision Partners With Sealock Security Systems

May 1, 2023

We are proud to announce that NovaVision, LLC (Bowling Green, OH) has acquired Sealock Security Systems. Sealock was originally launched in 1996 and is an industry leader in providing unique tamper-evident solutions for cargo container security. Sealock continues to set the standard for cargo container security that exceed customer expectations protecting valuable cargo, preventing break-ins, and improving supply chain integrity.

“We are impressed with the strong business built by Sealock and the team’s innovation, knowledge, expertise and commitment to their customers. Sealock’s products and services are a strategic addition to the NovaVision brand and we are excited to be able to enhance our combined customer’s experience with a greater variety of high-security product offerings” said Bill Schoenherr, President of NovaVision.

Sealock will retain its presence in Miami, Florida along with all of its dedicated employees. Ray Fernandez, Sealock Global Sales Director, will remain a fixture in the Sealock business and continue to be your sales contact for any of your security needs.
